

ALUMNI PROFILE: JULIEANNE ALROE

“While at St Rita’s, I found within myself the strength and capacity to succeed. From an ordinary start academically, I worked hard and was encouraged to do well enough in Year 12 to get a scholarship to The University of Queensland. This changed my life and opened the way to many subsequent opportunities.”

Julianne is currently the CEO and Managing Director of Brisbane Airport Corporation Ltd.

She attended St Rita’s College in Brisbane and then completed a Bachelor of Economics Degree at GAICD.

She has worked for more than 30 years at Sydney Airport, working her way up through the ranks to senior management roles.

She also serves on two Boards - Tourism and Events Queensland as Deputy Chair and on the Board of Infrastructure Australia.

Julianne is President of the Queensland Futures Institute and a member of the Chief Executive Women (CEW).
