

Nagle Education Alliance of Australia (NEAA)

Annual Report

2021 a Year in Review

NEAA – who we are

- The Nagle Education Alliance of Australia (NEAA) is an organisation of schools committed to the Presentation charism and the legacy of Nano Nagle. It developed from an earlier, smaller grouping of schools and, with expanded membership, was launched and incorporated in 2014.
- The NEAA believes that the Presentation charism has lasting value. The continued relevance of the Nano Nagle story is an inspiration for Presentation People to make a difference in their world and in the way we live the Gospel.

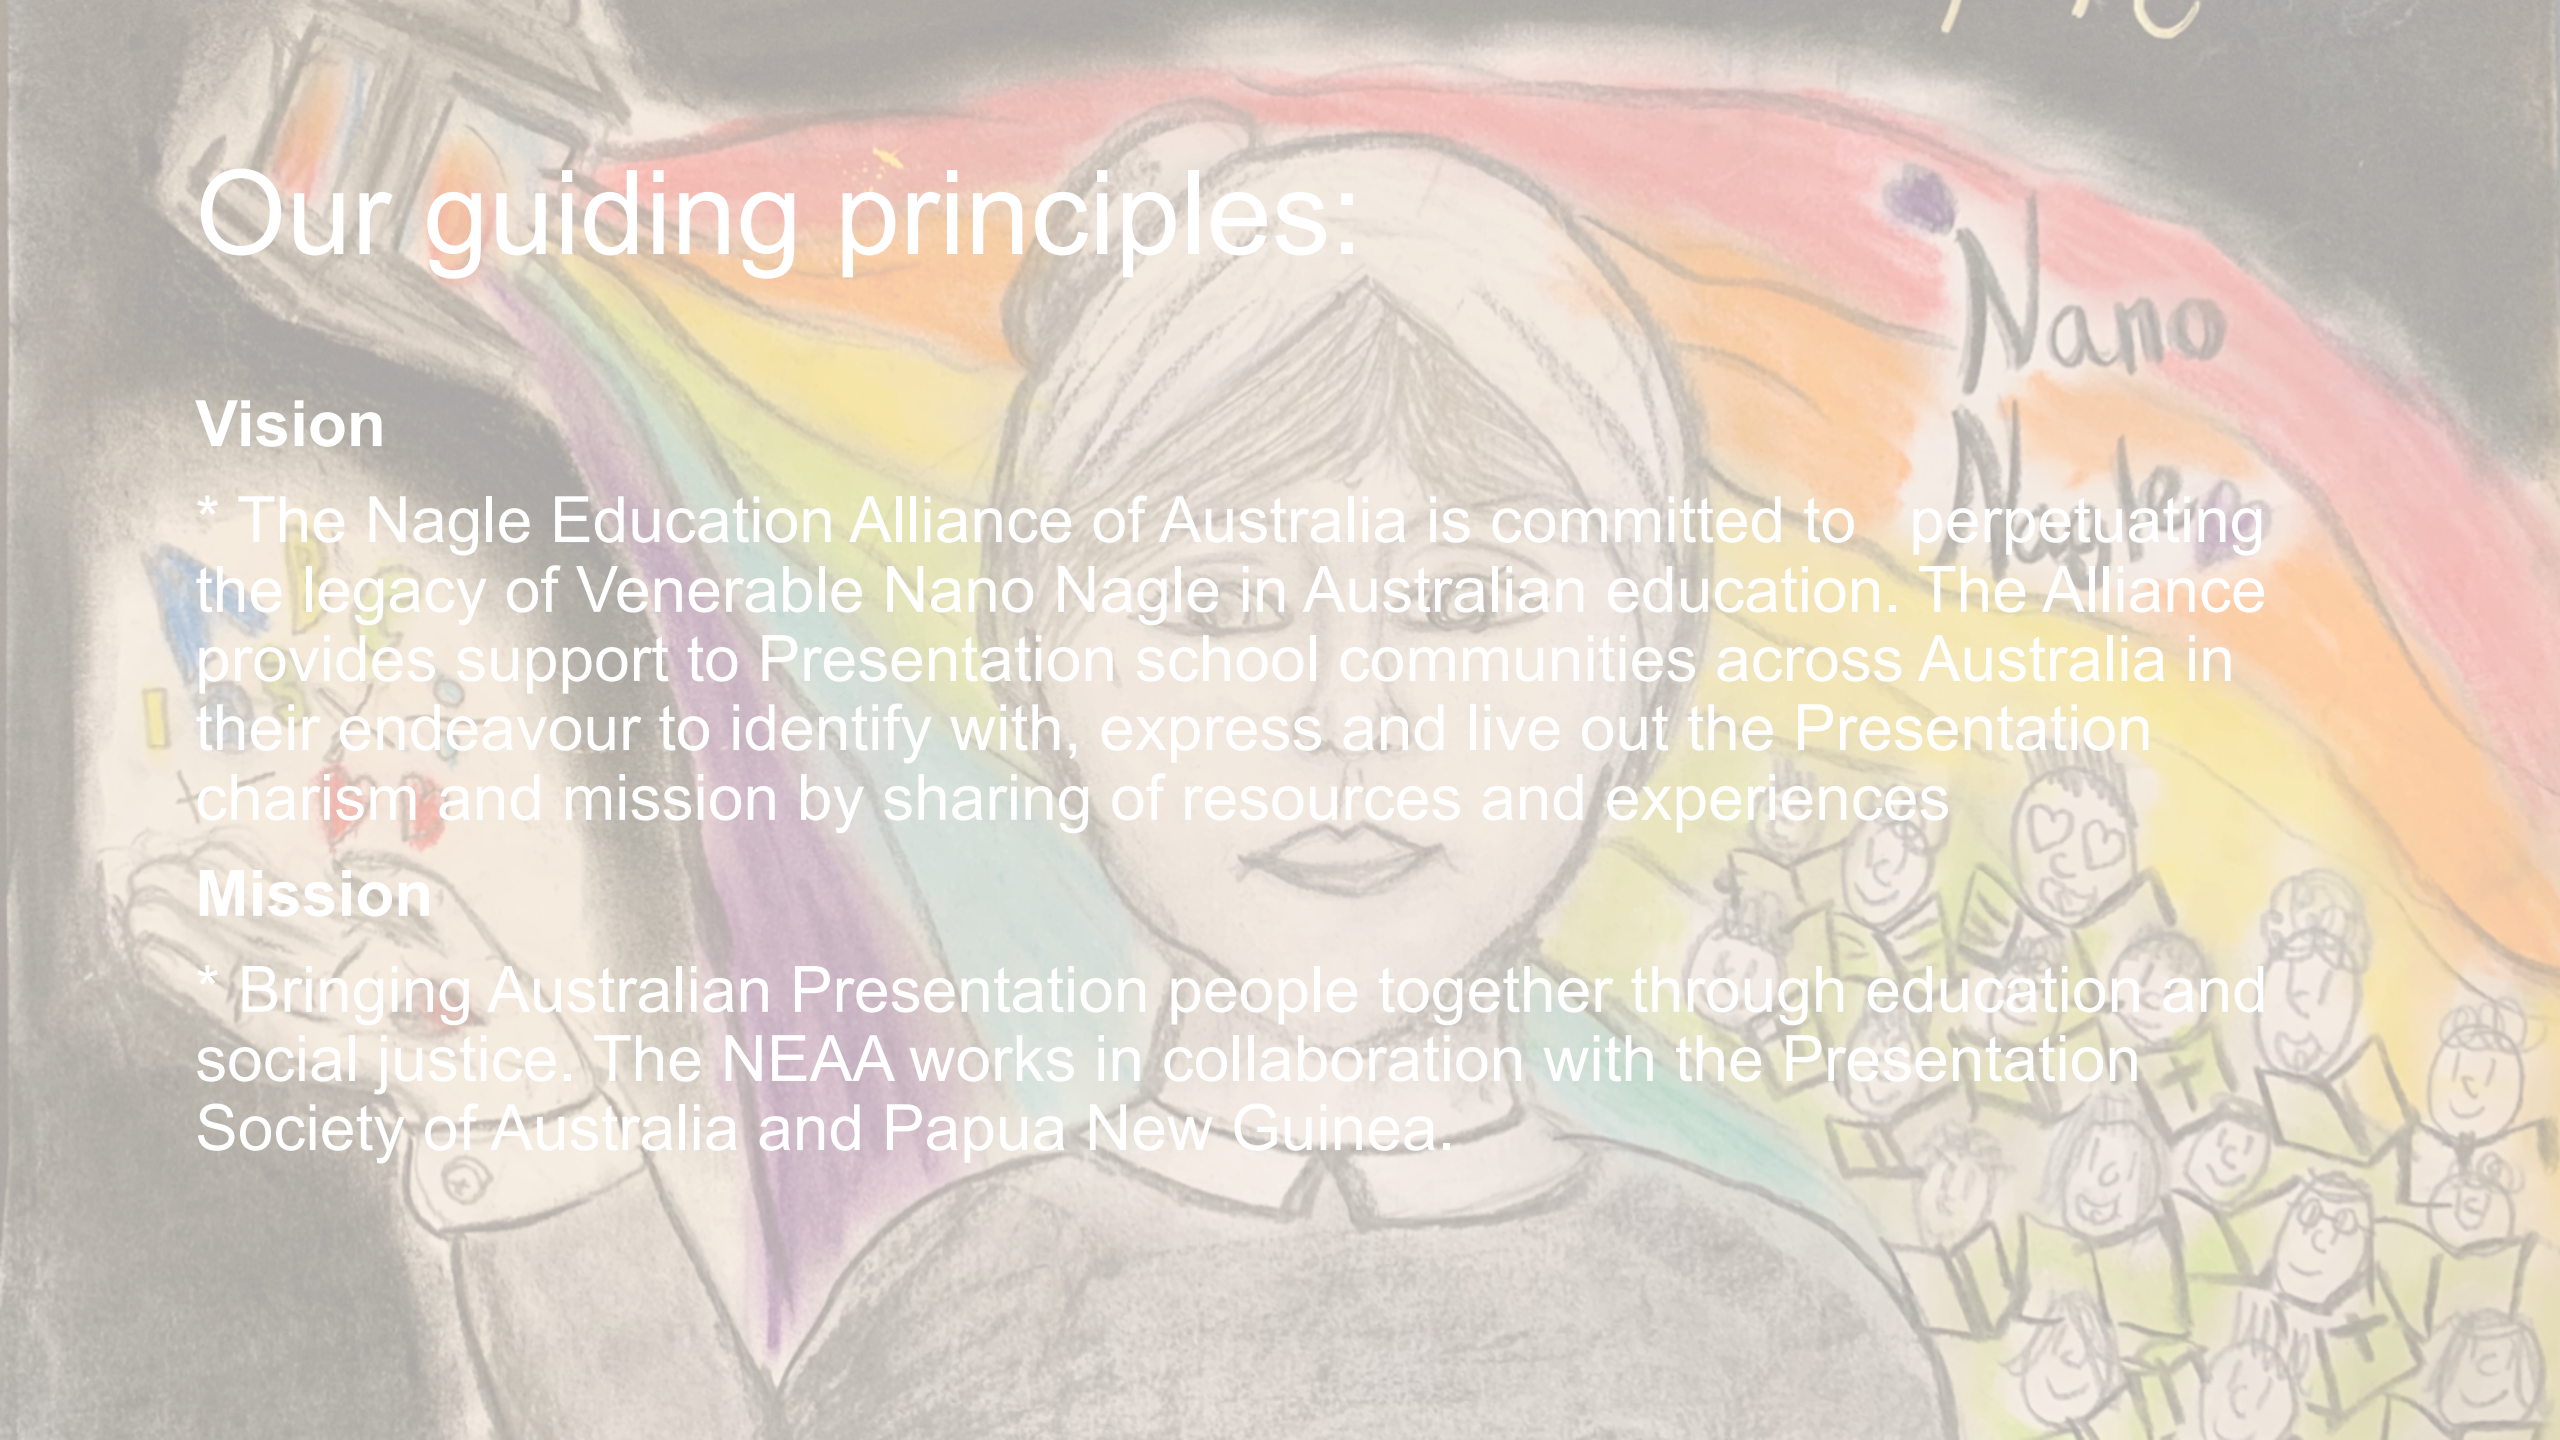

Our guiding principles:

Vision

* The Nagle Education Alliance of Australia is committed to perpetuating the legacy of Venerable Nano Nagle in Australian education. The Alliance provides support to Presentation school communities across Australia in their endeavour to identify with, express and live out the Presentation charism and mission by sharing of resources and experiences

Mission

* Bringing Australian Presentation people together through education and social justice. The NEAA works in collaboration with the Presentation Society of Australia and Papua New Guinea.

President / Executive Officer report

2021 was a year that continued to challenge us like 2020, however we had learnt by now to adapt and adopt new ways of connecting with our NEAA members throughout Australia.

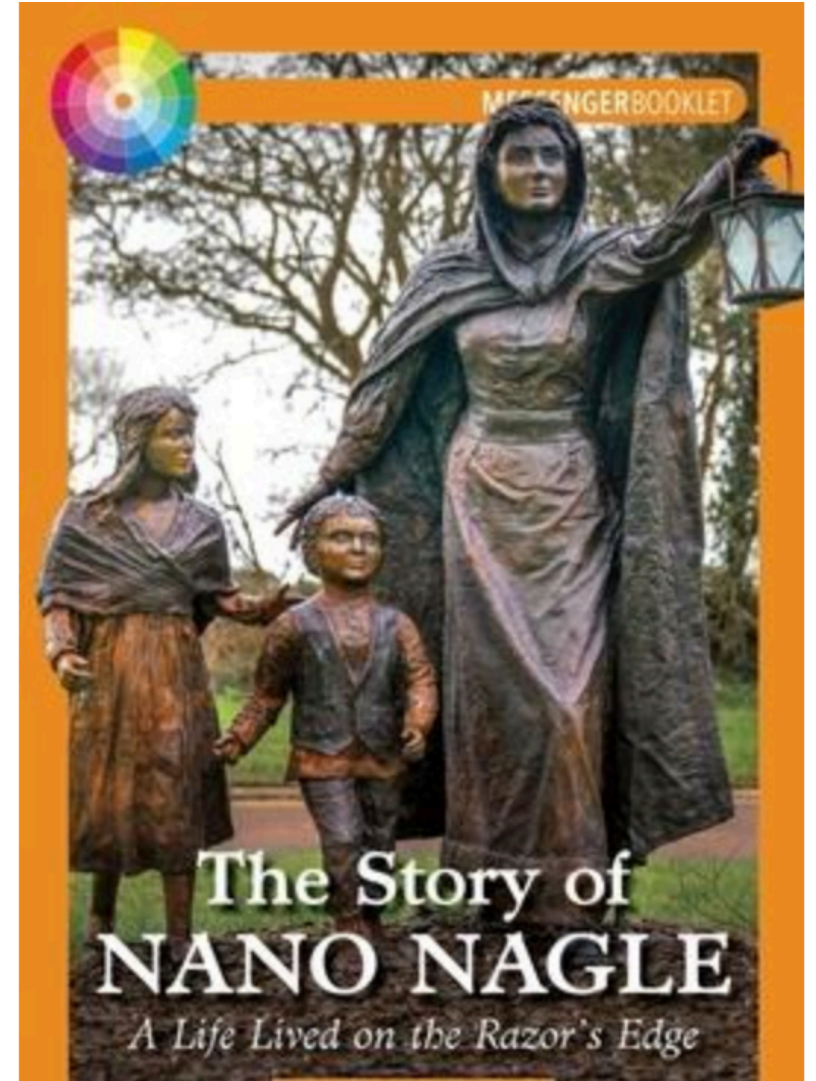

We held a series of online events for both staff and students in Presentation Schools throughout Australia and we acknowledge the support and involvement of all.

Two significant highlights for 2021 were the launch of our new website www.neaa.edu.au and our Staff Virtual Conference

Key events of 2021

- **Staff Virtual Conference – 11 & 12 August**, theme “*How we are keeping Nano’s legacy alive in 2021*”. Commenced on Wednesday evening with Anne Lyons pbvm (author of the new book *The Story of Nano Nagle A Life Lived on the Razor’s Edge*), followed by a virtual tour of Nano Nagle Place – both connecting with us all the way from Ireland. The following morning, we commenced with a keynote session delivered by Professor Anne Tuohy with the title *What lies at the Heart of the Presentation Spirit?* Delegates then had the choice of breakout sessions delivered by Ruth Pritchard, St Mary’s College, TAS, Gemma Thomson, Iona Presentation College, WA, Helen Dixon & Lawson O’ Brien, Nagle Catholic College, WA and Catherine Allen, St Rita’s College, QLD.
