

Jubilee Year of Hope

Presentation Australia **February Focus** in activating the IPA Strategy in 2025

"Our mission is to speak and act in partnership with others for global justice from a contemplative stance in a spirit of oneness with the whole of creation." *IPA Mission Statement*

Quote

"In the heart of each person, hope dwells as the desire and expectation of good things to come, despite our not knowing what the future will bring."

Pope Francis 2024

Story of Impact (IPA)

"The International Presentation Association (IPA) involves more than 1,400 Sisters and Presentation People in over 20 countries across the world. We work with women, men and children, communities, civil society, partner organisations, institutions and other networks to overcome the structural causes and consequences of poverty and injustice. We connect the work we do at the local grassroots level with broader efforts and struggles for justice nationally and internationally, in particular at the United Nations (UN), to make the greatest contribution we can towards justice and dignity for all."

IPA Strategy 2024-2026, p. 3

UN Connection

"Hope requires determined action and multilateral solutions for peace, shared prosperity and a thriving planet. Hope requires all countries working as one. Hope requires the United Nations."

António Guterres, UN Secretary-General, 2024
