LAUDATO SI: A CALL TO ECOLOGICAL CONVERSION

Ecological Spirituality

springs from a profound ecological conversion and helps us to "discover God in all things," both in the beauty of creation and in the sighs of the sick and the groans of the afflicted, aware that the life of the spirit is not dissociated from worldly realities.

(Laudato Si Goal 6)

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

DEEDS: A CALL TO ACTION

- Plant a tree or dedicate time to volunteering in a local or community garden.
- Praying, practising meditation or mindfulness for ten minutes a day amongst nature.
- Introduce a prayer from a different faith tradition in your own journey.
- Practice and role model inclusion by celebrating common ground and cultural differences.

WORDS: A CALL TO REFLECT

Nano's life embodied Jesus' words:

"peace be with you" (John 20:19)

through her actions of service.

How can you engage in more peaceful relationships in your life?
