

Presentation Day 21 November

Nano Nagle drew inspiration and strength from the story of the *Presentation of Mary in the Temple*. The feast of *Mary of the Presentation* is celebrated each year on 21 November. On this day, Presentation people around the world connect as one community prayerfully and joyfully.

**Today, we pray,
with Mary and Nano,
that this life
to be lived as we choose
is
loving
compassionate
hopeful
and just.**

**God ever loving us into life
bless us
in our living, learning and leading.**
