LAUDATO SI: A CALL TO ECOLOGICAL CONVERSION

The Response to the Cry of the Poor
is a call to promote eco-justice, aware that we are called to defend human life from the moment of conception to death and all forms of life on Earth.
(Laudato Si Goal 2)

DEEDS: A CALL TO ACTION

- Reach out to someone who has recently experienced grief and loss in their life and gift them your welcoming heart and deep listening ear.
- Contribute to raising awareness about the human impact of Natural Disasters occurring locally, nationally and internationally.
- Intentionally lean into someone else's suffering and make a deliberate decision to do something about it.

WORDS: A CALL TO REFLECT

Nano carried a deep love and genuine concern for the poor and marginalised in her heart each day.

The Gospels were written in her heart and she lived her life according to the teachings of Jesus.

How can you be inspired by the example of Nano to live more like Jesus in showing compassion to others?
