

Ariya – Star of the Sea, VIC (Secondary)

The heart of hospitality
In every smile, a welcome shines,
A hand reached out, our hearts entwine.
When friendship evolves, the bonds we share,
Creating laughter and cheer everywhere.

New faces to greet, all hope is shared,
We open doors, with hands bared.
A lunch invite, what a delight!

In our school, where kindness grows,
A helping hand, the motto we chose.
With every deed, big or small,
Our Star community holds it all.

The battles we faced, all has begun,
Hope is us together, and as one.
In every act, the love we share,
Nano's legacy, a dream so rare.

Aspiring to follow, hope by my side.
Nurturing what's right, to guide and unite.
At Star Of The Sea, we gather and pray.
“love one another as you have hitherto done.”
