

Guidelines for our digital book project

- The age range of artists is 5-18 years.
- We are seeking bright, colourful art.
- The school may provide context for the art as part of normal school activity - most children at PBVM schools are familiar with Nano's story and this is a great opportunity to remind/reinforce the story and context.
- It would be helpful if the art was on A4 size paper (landscape or portrait).
- You may organize the art any way that suits your context - an art competition, drawing during school time, inviting family members, etc.
- Each piece of art needs the child's name, age, country, and any other detail you may like to include. This will appear on the art so the artist is acknowledged - but not too much detail so the children are safeguarded.
- We will assume that if art, puzzles, videos, etc. are sent to be in the digital book that we have permission to use them.
- Art is to be scanned (we can manage any format) and sent to Isabel Thomas isabel199527@yahoo.in
- The **deadline is 20 August** - let us know if you would like more time.
- Please direct queries to Isabel (details above).
