

Lanterns Lit: 250 Years of Hope in Action

In recognition of the 250th anniversary of the founding of the Presentation congregation, the **Nagle Education Alliance of Australia (NEAA)** will host a series of **Lantern Gatherings** for Faith Leaders aimed at Religious Education coordinators, Mission leaders or anyone interested in hearing what others are doing in their Presentation schools. Key staff from primary and secondary schools will share how their school, staff and students embody “*Presentation today*” becoming beacons of compassion, justice, courage and faith in their communities. Each *online Lantern Gathering* will showcase initiatives, programs, special events, celebrations or practical strategies that demonstrate hope lived and shared.
