Acknowledgement of Country

We gather today on the traditional lands of the Muwinina people of the South East Nation. We acknowledge and deeply respect the Palawa people, the Tasmanian Aboriginal Community, and all Elders past and present. We are committed to learning alongside our students and community in this place, Hobart/nipaluna, and support the continued sharing of knowledge and Culture.

Opening Prayer

(Emily Oates)

We begin in the name of the Father, the Son and the Holy Spirit.

Amen

Loving God, as we gather for the second day of the NEAA Staff Conference, we ask for your inspiration as we seek to learn how we can better support the students in our care. May we look for ways to nourish their faith, may we learn more about how to support their wellbeing and may we find new and engaging ways of enriching their learning.

We pray in Jesus' name,

Amen

Sharing the Light of Nano's Lantern

A conference candle will now be presented to one representative from each school or organisation here today.

As this happens, we will watch a video celebrating how far Nano's lantern has spread around Australia as we listen to "*A Lamp For Our Path*" written and recorded by Amara Primera.

**Read by St

Student:**

Maggie
Robinson

*Nano, your heart yearned to embrace the world,
but your ways were held within narrow streets.*

Each day's pilgrimage was walled.

You fared beyond no far seas to share God's Word.

*No. You kindled fire on homely hearths, small sparks of hope against the
dark.*

*But within... ah, within... there blazed such fire,
such beacon of desire to see the dream of God made real on earth,
that still it flames to kindle other hearts afar in space and time.
And we, whose steps are held in walled and narrow ways, ask only this:*

*May we burn with like desire
while here we seek to bring the dream of God alive today
in this small corner of our yearning world.*

Final Blessing

College Principal:
