*As we weave our shared story,  
may we answer today's questions  
and cradle with care tomorrow's hope.*

*May our voices be - bold,  
truthful and imaginative.*

*May we love beyond measure,  
to walk with courage,  
compassion and wonder—  
together toward a journey of  
what is possible.*

**Happy Presentation Day!**

## Presentation Day Greetings!

*Nano, your heart yearned to embrace the world... within you, there blazed such fire, such a beacon of desire to see the dream of God made real on earth, that still it flames to kindle other hearts in space and time.*

*May we burn with like desire, while here we seek to see the dream of God alive today in each small corner of our waiting world.*

Mary of the Presentation, may your 'Yes' be our 'Yes' too!

Pray with us

Mary ... Woman of life,  
Welcome us into your home  
Your place, your sacred space!  
Our eyes search to see as you saw.  
Our hearts yearn to know as you knew,  
To know the thousand faces of the One Above, below, withing beyond, among us,  
Flesh among us.  
Be light for our darkness.  
Be dawn for our new day.
