

In halls where echoes softly sway,
Nano's spirit lights the way,
Hospitality, her guiding star,
In every act, near and far.

In IONA, where faith does thrive,
Her legacy keeps dreams alive,
From humble beginnings, her path was laid,
In service, love, her foundation made.

From classrooms to the chapel's choir,
Her presence kindles hearts on fire,
In every smile, in every embrace,
Her spirit dwells in every place.

So let us sing, with voices clear,
Of Nano's legacy so dear,
In hospitality, we find,
Her noble deeds, her words entwined.

For in her footsteps, we shall tread,
With hearts both brave and souls well-fed,
In every gesture, every prayer,
Nano's love is everywhere.
